

To Whom It May Concern,

I recently had the pleasure of working with Charles Nadeau and Ideal Home Renovations.

It was the first time I had ever had any work done in my place of residence and Charles helped me every step of the way to make sure I was fully satisfied with everything. From the initial meeting through the final day, Charles made sure that I was always aware of what was happening so I never felt removed from the renovation. I felt like Charles worked with me, rather than for me. I hope to work with him again on my next home improvement project.

Sincerely,
