RE: Charles Nadeau

To Whom It May Concern:

Charles Nadeau did a substantial amount of work for us in 2009. He constructed an entire wall unit, including shelving and cupboards, for our library. He also made a wall unit for our family room, with display cabinets, shelving, and storage drawers. He later procured for us bathroom cabinetry and installed same in a very timely manner.

We are very pleased with the work done by Charles. His craftsmanship is excellent and the wall units he built for us have made a big difference in both rooms. The bathroom cabinets are of a high standard and he installed them beautifully.

Charles is extremely conscientious about his work – he was very easy to work with. Whenever I phoned him, he answered or called me back right away. When he said he was coming over, he came. He never missed an appointment and, if he was going to be late, he always called to advise us of that. He completed all of the work we ordered within a very reasonable period of time. We are very satisfied with his work.

We have no hesitation in recommending Charles to any employer or client. We only wish all contractors were as good as he is.

Yours very truly,

John and Rashada Clarke
