To Whom It May Concern:

I am writing this letter of reference for Charles Nadeau to attest to the superior work he did in renovating our new home. As this was our first home purchase, we were very particular in choosing the right contractor to do the job. After meeting with several contractors, we realized that Charles was undoubtedly the right person for us to work with.

Given an accelerated timeline between our home closing and move-in date, Charles and his team basically had to paint the entire apartment, renovate an entire wall unit of built in shelves and install lighting in less than one week. His team worked diligently to make sure this large job was done in a very short amount of time. Knowing that he was on the job significantly reduced the amount of stress we already had in trying to coordinate a move in such a short time.

Charles is extremely professional, courteous and highly skilled. He made sure to keep us informed by providing periodic updates on the team's progress. We were extremely happy with his team's work and couldn't believe what a great job they did in just a few days. We would highly recommend using Charles and his team for your renovations.

Please feel free to contact us with any questions.

Best regards,

Ann DeVries
