TO: Whom It May Concern:

I am writing this letter as a recommendation for Charles Nadeau of Ideal Home Renovations.

Charles served as general contractor for our bathroom renovation in 2013 and our overall apartment renovation in 2014. We found him to be knowledgeable, creative, practical, and responsive in working with us. All of our renovations turned out beautifully. Charles was very open to our suggestions and needs, but also counseled us about resources and options available for the choices we made.

If we were to need additional apartment renovation, we would not hesitate to contact him and use his services.

If you desire further information, please do not hesitate to contact me.

Sincerely,

Judythe A. Isserlis
